Chairman's Message

Dear Parents, Students, and Well-Wishers,

It gives me great pleasure to welcome you to **Gyan Public School, Aligarh**. The establishment of a new school is not just beginning of academic years, it is the foundation of a vision to create a nurturing environment where children feel safe, valued, and inspired to grow into confident and responsible individuals.

At **Gyan Public School**, we strongly believe that education is not limited to books and examinations alone. In today's fast-changing world, along with academic excellence, students need strong values, discipline, empathy, and character. Our mission is to provide an education that develops both the mind and the heart, enabling students to face challenges with confidence and integrity.

We are committed to creating a joyful and meaningful learning atmosphere where curiosity is encouraged and every child receives individual attention. Recognizing that each student is unique, we focus on strengthening fundamental concepts, fostering clear thinking and building confident Communication skills that are essential for overall growth & success.

Education at our school goes beyond classrooms. We emphasize overall, development of students through sports, arts, creative activities, and life skills. Our lush green campus and peaceful surroundings offer an ideal environment for learning. Through co-curricular activities, students develop teamwork, leadership qualities, self-discipline, and self-confidence.

Dedicated teachers and supportive parents play a vital role in a child's success. Our teachers are passionate, caring, and committed to nurturing young minds. We also believe in maintaining a strong partnership with parents, as together we can guide our children toward a bright and meaningful future.

I warmly invite you to be a part of this educational journey, where we shape young minds, nurture strong values, and prepare students for a successful future.

Thank you for your trust and interest in **Gyan Public School**.

Secretary's Message Gyan Mahavidyalaya Society

(Running Gyan Mahavidyalaya & Gyan Private ITI)

Dear Students, Parents, Guardians, and Respected Members of Society,

Welcome to the official platform of Gyan Mahavidyalaya Society, a committed educational society dedicated to creating opportunities for learning, skill development, and character building. It is a matter of great pride for us that under the guidance of the Society, we are successfully running Gyan Mahavidyalaya and Gyan Private ITI, with the clear purpose of empowering students through quality education and practical training.

Gyan Mahavidyalaya stands for academic strength, thoughtful learning, and overall development.

Our focus is to provide students with strong fundamentals. Clarity of concepts, and the ability to think independently. We want our students to not only be degree-holders, but also well-informed, well-spoken, and well-disciplined citizens. Education must guide students to become self-reliant and value driven individuals.

Behind every successful student stands a dedicated teacher, and a supportive family. Our faculty and trainers work with sincerity and a student first approach. We continuously encourage modern teaching methods, regular assessments, and supportive guidance so that students feel motivated and clear about their direction. A healthy academic environment is one where students are encouraged. doubts are solved patiently, and every learner is given the opportunity to improve and thrive.

On behalf of Gyan Mahavidyalaya Society, I express sincere gratitude to everyone who has supported our institutions-students, parents, staff, and well-wishers. Your trust motivates us to work harder and serve better.

With best wishes for a bright future.

Infrastructure

School Infrastructure

School Infrastructure is an integral part of our objective to deliver world-class education. We have developed excellent facilities in school campus and made them accessible to each and every student for their growth. We have Computer lab, laboratories, Mathematical Labs, Sports Academy, Digital library and classroom facilities-which are furnished with ultra-modern teaching methodologies that would compete with any school in the world.

Labs

a) ADVANCED COMPUTER LAB: We have got advanced computer labs, where the students are trained by the Experts. A generous ratio of computer terminals for hands-on practices for the students, is our prime motto. The latest computer applications are included in the school curriculum.

b) WELL-EQUIPPED AND ADVANCED LABS: Our Labs for chemistry, physics, maths and biology are world class. The equipments mostly acquired are branded and are highly advanced. Students get the best practical training in these laboratories.

c) LANGUAGE LAB: Communication is one of the most important qualities in today's world. Our language lab is fully equipped with training facilities that would help every student to learn effective communication. The language lab is facilitated to train in different languages (Indian/foreign Languages).

d) ROBOTICS LAB: Artificial Intelligence is an emerging area in science and technology. Robotic science is one of the most promising sectors for tomorrow. Realizing its importance the school has set up a dedicated robotics lab to train the interested and talented students to design and develop AI-machines.

DIGITAL LIBRARY: Our library is a trove of most advanced and rare academic books to help students to cultivate a habit of reading. One can find the best and most useful books in every subject in the library. Online access to the library is also available to search periodicals, magazines, newspapers etc.

Smart Class

At Gyan, we have implemented the smart class concept to enhance learning through detailed subject content, exposure to new inventions and technologies and interactive tools that help clarify every student's doubts effectively.

Ac infrastructure and Transport

To ensure students remain undisturbed in class we have installed air Conditioning in all classrooms and laboratories creating a comfortable and quiet learning environment. We also provide air-conditioned transport with strong focus on student Safety.

Learning resource Centre

Our focus is on guided learning & self learning. The LRC contains a wide range of diction & nonfiction books, folk and fairy tales, magazines, periodical and reference material for staff. It is equipped with various work stations to facilitate the work of the students and staff.

Medical Care

The school is well-equipped with necessary medical facilities to meet with any emergency situation. Apart from this. we at GYAN provide regular physical and mental assessment to the students in collaboration with world class service Providers.

RFID Attendance System

The aim of the RFID Attendance System is to maintain the record of the students attendance by using RFID tags. Each student is issued with his/her authorized tag, which can be used for swiping in front of the RFID reader to record their attendance and the same is forwarded to the parents through regular notifications. (SMS)

Partners In A Dream

Parents

As parent, you are the first teacher and the most important influence on your child's growth and attitude towards learning. At Gyan Public School, we always emphasize on strengthening the home school connection that will inculcate a value system in your child; enhance his/her learning capacity with pace and teach him/her important life-skills from an early age. Keeping 3-way communication channel open between students, parents and mentors ensure two things; one that parents get to play a direct and active role in their child's growth and two, a message is conveyed to the child that school and education are extremely important.

Teachers

We as teachers, under whose care you place your child's early learning, take things forward, wearing several hats on the way; that of a guide, friend and sometimes even of a parent and remain with them at every step of the way facilitating new experiences and opening windows to the new world for them.

Community

Learning is not just about what happens inside the school or home. Children also learn a lot from the society in which they live along with their friends. We understand it and provide platform for the positive exposure of the children with the community around by field trips, undertaking social initiatives, sharing current affairs and most importantly arranging the interaction of the students with the experts and the institutions in the community to enrich the learning experience and keep them wanting more.

Co-curricular Activities

Music Academy

A Dedicated music academy is set up to help the talented students to cultivate and nurture their talents in music. We are committed to groom every promising student in his/her desired field.

Dance Academy

GYAN dance academy is committed to transform the interest of the students in various dance forms. We have multi-dimensional rooms for the dance training such as classical, folk, hip-hop etc.

Art and Crafts Academy

Gyan takes a step further to identify and nurture the talents of this generation in the fields of art and craft, where students strive for excellence in painting, Craft-making and other creative pursuit.

Games and Sports Academy

Physical education is a parallel education which aims wholesome development of a child. At GYAN, to promote health and wellness we offer a variety on Physical Education programs including Yoga, Martial Arts, Calisthenic and Plyometric exercises to help the students stay physically fit. GYAN offers a dedicated academy to the field of games and sports where the students are trained in Cricket, Table Tennis, Basketball, Volleyball, Athletics, etc.

Personality Development Programs

Our society often struggles with traits like shyness, arrogance and poor communication, largely due to a Lack of proper guidance. Personality development is essential in today's world. Our school offers exclusive personality training programs to help every student grow into a confident & engaging individual.
